Welcome to July everyone. It's time for our celebration on the 4th with the Cayucos Lions 4th of July parade. Be sure and support the Lioness pancake breakfast on the 3rd and the Lions barbecue in the Vets Hall tent on the 4th after the parade.

I want to thank Leonard Cicerello and the kitchen crew for the great beef stew and the other entrees at the luncheon. Everything was delicious.

A thank you to Adrian for bringing in Tennessee Jim Harrell. Jim played some old western tunes and some other favorites Jim is always very entertaining. I'm sure we will have Jim back again. I discovered Jim at Harmony Cellars Winery at their Friday night events.

I want to congratulate Jim and Betsy Watts chosen as senior volunteers of the year. Jim and Betsy were presented their award at last month's potluck. Also a thank you to Laurie Niblock for doing our newsletter for over 15 years. We also presented Laurie with an award. A thank you to Jim, Betsy and Laurie for your support and help to our club.

Everyone be safe and enjoy our parade and all the activities and fireworks on the 4th. See you all at the potluck on July 12th.

1st VP Adrian Hurtado***

Happy Independence Day. Get ready for another jam-packed and festive 4th of July in our little town-by-the-sea.

The June luncheon featured beef stew and a variety of dishes that satisfied even the most finicky palate. Next month will be an old fashioned hotdog and hamburger luncheon.

In June, Tennessee Jimmy Harrell played and sang a variety of country and western songs. This month, Judith and the Jazz Krewe will provide the lively entertainment.

The \$100 attendance drawing would have gone to Helen Hauser, had she been present. Next month, the pot grows to \$125. Sierra McLees happily walked off with the \$60 50-50 prize. An additional drawing of two 4th of July BBQ tickets donated by the Cayucos Lions, was won by Chris, the van driver for Casa de Flores. Congratulations all.

## *A Little Humor*

An argument ensued between a passenger, who was getting ready to board, and an airport employee. The passenger's face was red with fury, but the airport employee was smiling and nodding at each verbal abuse. Finally the passenger boarded his flight. A curious onlooker, who was an anger management trainer, rushed to the employee and introduced himself, and said how impressed he was by the employee's behavior.

Trainer: *How could you possibly control yourself when that man almost pounced on you?*

Employee: *Even though I seemed calm, I was very angry.*

Trainer: *But I did not notice your anger.*

Employee: *He didn't either.*

Trainer: *I don't get it. What do you mean?*

Employee: *Smiling, he said, Simple, he is headed for Japan and his luggage is headed for Italy.*

## *Thrift Store News from Carla*

Happy 4<sup>th</sup> of July from all of us at the Senior Thrift Store. The shop is decorated inside and outside. Janet has some wonderful red, white, and blue ensembles for sale. She does such a great job.

Karen and I have been blessed with beautiful donations of many vintage pieces.

We have two new volunteers for our desk. Terri Gagne and Vera Wallen are well known in town and we are lucky to have them as volunteers. Please stop in and say hello to them.

We could use puzzles and board games for the summer tourists.

There will be a lot to do this month from barbequed oysters to sand sculptures to hot dogs and fireworks. Stay safe and help to keep our town clean over the holiday.

### *Cayucos—A Chumash Canoe?*

A reader has requested information on the origin of our fair town's name. It is believed to be an Indian word meaning "canoe".

The Chumash Indians were considered by some to be the most advanced of all California tribes, and were expert mariners. The tribal range extended from as far north as Estero point south to Santa Barbara and the Channel Islands.

The canoes were built mostly of driftwood, fitted, then sewn together with only sinew. The seams were caulked with asphaltum, naturally occurring beach tar. The canoes were usually 12-20 feet in length.

Another theory is that Cayucos is a Spanish rendering of the Eskimo word "kayak".

Extracted from the August, 1989 issue of "Sandpiper", a Cayucos community newsletter.
