***A Message from Your President  
Jerry Dobyms***

Hi everyone. Here we are in September already. The year is three quarters done. Where has the year gone? It seems time is moving too fast. But, it is time for my favorite sport, college and pro football.

I want to thank Leonard, Ken, Jim Watts and all the kitchen crew for the delicious chicken and potatoes last month. Also thanks to Adrian for having Dave Lavoy perform for us. He performed some great tunes. I'm sure we will have him back again. I especially liked his Shilo tune by Neil Diamond.

Remember for this month we are celebrating our anniversary, so don't bring a lot of desserts. Adrian will be getting us a cake from Costco.

This will be my last month as your President. We will be installing new officers at this month's meeting and potluck. It has been a pleasure being your President. As many of you know, Adrian and I are exchanging positions. He will be your President and I will be First Vice. Maybe next year someone would like to be President and First Vice. instead of Adrian and myself. These positions are not difficult so let us know if you have some interest.

I would like to congratulate Ken Kaberline on the article about himself and Cayucos in the Living Here magazine in the Tribune. It was a very well written article. Way to go Ken.

Be sure to support Cayucos Fire Dept and their annual barbecue over Labor Day and the pancake breakfast at Cayucos Elementary

Happy Labor Day everyone, see you all at the September 13th potluck.

***Jerry***

***Last Table*** - Table 4 (Marilyn & Bill Rodgers and Ann Fitzgerald) was the last table to be served in August and will be the first to be served in September.

***From the Desk of  
1st VP Adrian Hurtado***

August is already upon us. Seven months of 2017 down and five months to go.

Congratulations Cayucos Seniors Club. This month marks our 44th anniversary as an established organization.

Elections were held for the 2017-2018 fiscal year. Incoming officers are as follows:

President Adrian Hurtado  
1st Vice President Jerry Dobyms  
2nd Vice President Janet Arnold  
Secretary Sherry Shepherd  
Treasurer Jim Watts

The August luncheon featured rosemary chicken and potato wedges. Good old homestyle cooking in my book.

Dave Lavoy provided some oldies tunes. His falsetto voice allowed him to sing some Roy Orbison and Four Season songs as well as a variety of others.

Wilma Plananski was not present to claim the \$150 attendance money. The pot grows to \$175. Casa de Flores van driver, Chris Sawyers, won the 50/50 prize of \$66.

On Sunday September 10 there will be a celebration of life from 1:00-4:00 pm for Arley Robinson in the Vets tent. Join family and friends to remember the man known as Mr. Cayucos. Cayucos Lions will provide lunch.

Other September events include:

9/3 Cayucos FD BBQ Fundraiser  
*11:30am-3:30pm Cayucos Vets Tent*  
9/4 Labor Day  
9/9 California Admission Day  
9/16 California Coastal Cleanup Day  
*9am-12noon, Estero Bluffs*

See you September 13th.

***Adrian***

## *A Little Humor - The Usher*

Cora, an elderly woman, walked into her local St. Michael's Church. The friendly usher greeted her at the door and helped her up the flight of steps.

"Where would you like to sit?" he asked politely.

"The front row please," Cora answered amiably.

"You really do not want to do that," the usher said.

"This vicar is really boring."

"Sonny, do you happen to know who I am?" Cora inquired, looking directly at him.

"No," he answered.

"I am the vicar's mother," Cora announced indignantly.

"Do you know who I am?" he asked.

"No," she said.

"Good," he replied and disappeared.

## *Sunshine Report*

The "Celebration of Life" for Arley Robinson is on Sunday, Sep 10th from 1-4 in the Vets tent.

Trudy Minott is back in Cayucos after traveling to Mississippi and Oregon. She is with her daughter and son-in-law, Lori and Steve Bonham.

Joyan sent sympathy cards to Mary Ann Balzer family and to Kay Tift for the death of her husband, Floyd.

## *Thrift Store News from Carla*

Wow. Another month has gone by and fall will be here soon, which is my favorite time of year. We had a very big month in July—great sales, plus we sold a lot of our new Senior cookbooks to people here and also to people in faraway places. I would say that Cayucos cookbooks are famous.

We are still in need of plastic shopping bags at the store. Someone donated a large box of red cloth bags which we really appreciate. Thank you to Fran and the girls at Morro Bay Seniors for bringing us more puzzles. We love them.

Patty Frawley and I picked up books from the Whale Rock club house which is overloaded with books. Thank you Whale Rockers.

We could use coffee makers, toasters, and crock pots. Do you have any hanging around?

We filled our Tuesday spot that Betsy Watts held for 15 years. Margie Shiffman, a retired nurse, will be at the desk from 1:00 to 4:00 on Tuesdays. She is a lovely lady and will complement our team of caring volunteers. We sort, display, wash dishes, wash and iron clothing, and those tasks bring smiles to our customers.

## The Birth of Cayucos, Part 2

Reprinted with a little editing by Deci Saul and Leonard Cicerello

*When Mexico gained her freedom from Spain, she secularized all of the Missions of California. She took the missions away from the religious orders and gave or sold the lands to the public. It is from the vast lands used by the missions that the huge grants of land were made. Many soldiers who had served at the missions were demanding the lands which had been promised to them, and since Mexico wished to settle the land, the soldiers' demands were granted.*

*If the land was granted, the grantee was sent a paper of ownership by the governor. He was then put in possession of his lands by a Mexican official in a ceremony known as The Act of Possession. The land was measured in varas (2.78 feet) and was usually done by men on horseback. A measure of 40 varas was marked off on a hempen rope before the men began the survey. These land measurements were not always exact as the rope shrank or lengthened according to the time of day and the weather.*

*Three things had to be done in the first year of ownership. The grantee had to live on the land, he had to build a dwelling (usually a small adobe), and he had to improve the land. If these three requirements were not met, the grant could be withdrawn.*
