### ***From the Desk of President Adrian Hurtado***

June is here already. It seems like every time I write one of these articles, another month has passed. Oh, that's right. It has.

The May luncheon found us enjoying the very tasty beef enchiladas made by Darlene Kaberline, and the chicken enchiladas made by Pat Moon. Coupled with Ken Kaberline's Spanish rice, all made for a great lunch.

The Mystery Brothers provided great entertainment. Jim Conroy played guitar and sang some great songs with his gravelly voice, and Bruce Beck mesmerized us with his finger play on the keyboard. This month the Crustacea Jazz Band will be here to entertain us with banjo and washboard tunes.

Dave Dabritz' name was drawn for the \$275 attendance prize, and was there early on, but left before the draw. Unfortunately, our rules specify, **Must Be Present To Win**. The June prize will be \$300. Marshall Moens won the 50/50 prize of \$83. Congratulations Marshall.

The Past Presidents' and Volunteers' prime rib luncheon was held on May 24 at 12:00 in the tent. The seniors receiving recognition awards were announced and presented with a plaque. Their names will be shared at the June luncheon.

I scanned a variety of websites, but could not find anything happening in Cayucos in June except the return of the Friday morning Farmers' Market at the corner of Ocean Ave and D Street. That is a good thing.

Before the July newsletter and luncheon, we will celebrate America's 242nd anniversary of independence on July 4. I would like to wish you Happy Independence Day in advance. Don't forget the parade and fireworks.

Have a great month and see you June 13 in the Vets tent at 12:00 noon.

***Adrian***

### ***A Message from Your Vice-President Jerry Dobyms***

Here we are in June. Half the year is upon us this month. It is time for the end of the school year. Time for traveling and doing special things in this beautiful area. Our little town will be busy through the summer.

I want to thank Pat Moon and Darlene Kaberline for the great enchiladas served at last month's potluck. They were delicious as was the rice prepared by Ken Kaberline. Great job by all the kitchen staff and the servers. Also to Karen Rivas for bartending.

We had Jim Conroy and Bruce Beck for our entertainment for last month's potluck. Jim and Bruce are great to listen to and Bruce is so good on the keyboard. I will try to get them back before the end of the year. Crustacea Jazz Band will perform for us this month. They will do the New Orleans umbrella dance, I am sure.

Marshall Moens Marshall won \$83 in the 50/50 drawing. Congratulations Marshall. Dave Dabritz's name was drawn for the attendance drawing of \$275. Dave was present for most of the potluck but left before the drawing. Sorry Dave, you have to be present to win.

Everyone have a great June and I will see you at the next potluck on Wednesday, June 13th.

***Jerry***

***Last Table*** - Table 4 (Ann Fitzgerald, Brad Bates, Suzanne King, Maggie Carlson, Marshal & Deborah Moens, Deborah Way, and Sherry Shepard) - first to be served June.

## CAYUCOS HISTORY

### PART 7

The bell atop the main warehouse was rung as often as once every four days to signal the arrival of passenger and freight service by coastal steamships. The day prior to the expected arrival of ships became known as **Butter Day**, when as many as **125 teams of horses** were driven to the landing with cargo to be shipped. Between eight and ten tons of butter were shipped each time along with other outgoing products. About sixty percent of these shipments went to Los Angeles at this time, while the rest went to San Francisco.

On January 8, 1879, the post office was moved there from the community of Old Creek to the south. The name of the post office was misspelled "Cayucas", and the error was not corrected until 1883.

Cayucos had two big days per week when **steamships** came to port. The ships would deliver household items for retail in local merchant stores and load up on cheese and butter supplied by the local dairies. Livestock also may have been shipped out of the Cayucos pier.

Since Cayucos was a growing community with an expanding student population by 1890, the town built its **second school**, on E Street in the middle of the second block east of Ocean Avenue. The school had three rooms serving three instructional components into which it was divided: grades 1 through 4, grades 5 through 8, and a library.
