

# *Cayucos Senior Van*

## **Mission Statement**

- The Cayucos Senior Van, a division of Cayucos Senior Citizens, is a volunteer organization operated to provide residents of Cayucos transportation to appointments. The Cayucos Van is a safe, comfortable option for our citizens when they have no transportation of their own.
- Transportation to medical appointments is given priority over other needs.
- Non-medical appointments or needs (such as grocery shopping, banking, hair dressing, airport/train drop-off, etc.) will be provided subject to driver and van availability.
- Passengers must be able to get in and out of the van without assistance. Our vans and volunteer drivers are not equipped to handle needs of this nature..
- Ride requests must be in San Luis Obispo County, Monday through Friday, between the hours of 9:00am and 4:00pm.
- Our volunteers must be given a minimum of 48 hours to schedule and confirm van requests.
- All appointments are subject to van and volunteer driver availability.
- Rides may be cancelled or consolidated with other requests, as needed, due to volunteer driver and van availability.
- Please call 805-995-3543 with any questions or to request a ride.
